QUICK STYLE RULES

- **One hero print per outfit.** Any second pattern must be smaller and share a color.
- **Texture before a second print.** Crochet, suede and embroidery add depth without noise.
- **Rule of 3 for jewelry.** Max three pieces each at neck, wrists and hands; one metal.
- **One structured piece per look.** A belt, a suede jacket or a firm bag keeps flow from going shapeless.
- **Fringe on one item only.** Jacket or bag or boots, never all three.
